

Letter of Invitation

The Canadian Lipid Nurses Network (<http://www.lipidnurse.ca/>) is a group of dedicated health care professionals whose objectives are to:

- Promote standards for dyslipidemia management in Canada
- Promote standards for management of all cardiovascular risk factors
- Provide education on lipid metabolism and dyslipidemia management for health care professionals
- Provide resources on cardiovascular risk factors to health care professionals
- Support integration of prevention and management initiatives in primary and chronic care

You are therefore invited to an exciting conference that will meet these objectives and focus on take home messages that will be useful in your practice environment.

The conference will be held **Thursday May 29, 2008 (evening) & Friday May 30, 2008 (day)** at the Ramada Crystal Palace in Moncton/Dieppe, New Brunswick.

Who Should Attend?

Health Care Professionals involved in the prevention and management of cardiovascular disease through Primary Care, Lipid Clinics, Cardiac Rehabilitation, Risk Reduction Programs, Diabetes Education or Global Risk Management programs.

Language Services

This conference will be conducted in English with French translation service available.
